About Vincent Properties Inc.

At Vincent Properties, we strive to give you the best service with professionalism and integrity.

We have over 25 years of local real estate experience, a team of qualified Realtors, and a vast knowledge of the High Country.

Vincent Properties' doors opened in 1996. Over the years, there have been several offices in different locales throughout the High Country. It was then centered in the beautiful quaint town of Blowing Rock. Vincent Properties has expanded from simply a real estate company housing one or two agents to a real estate, development and construction company with many employees and partners throughout Ashe, Avery, and Watauga Counties. Vincent Properties is a family owned company that focuses on maintaining relationships with the local community while providing services to people from all places and backgrounds.
